Sir

I have the honor to state that the Amildar of the Indi Karsipur Taluk writes to me that some leading men in his taluk desire that a cattle fair at Gundakadore should be organized during the jatra of this year which commences on the 4th February 1908 and continues for a fortnight, and that they express their willingness to contribute Rs 100/- for awards as prizes. The show will commence on the 11th idem which is the car-festival day and

and close by the 11th idem. He further adds that if this year's show proves a success, then government help will be solicited. A large number of cattle may gather at the gatra, whereto cattle-buyers from the neighbouring British Territories might come. Considering the short time at the disposal, the arrangements that have to be made, and the enthusiasm with which the people have come forward in this direction, I have, in anticipation of your support and Government sanction, authorized the Amildar to take steps for holding the show this year, after collecting the voluntary subscriptions from those who have freely promised to contribute the same. A committee of judges for awarding prizes, on the lines followed in the case of the Channanakatta cattle-show of 1904, will be appointed. A notification announcing the show in question is herewith sent for publication in the

Mysore

"Mysore Agricultural and Industrial Gazette"; and a copy of the same has also been sent for publication in the Mysore Gazette.
